Guardians Of The Children Bring Galactic Sized Help

The Guardians of the Children- Show Me Midwest Chapter has had a very busy year seeing a huge jump in membership numbers and events they have sponsored or attended. Their mission is clear, and their creed is "We stand as one prepared to protect this priceless resource; Valor, Truth, and Integrity is the Guardian Way".

The non profit organization consists of motorcycle bikers on a mission to protect victims of child abuse. These burly rough around the edges men and women have huge hearts and are dedicated to the cause of supporting victims and helping to end child abuse in all its forms.

The group is based out of Warsaw but meets in Clinton on the second Friday evening of each month at 7 p.m. at the Rotary Building. The Clinton Daily Democrat spoke with Shepherd, who was eager to promote his chapter and let interested people know that "if they wanted to help these kids, this is the right chapter for

you". If a rider is interested in joining it would be best to attend a meeting and see if they are the right fit for the Guardians. Membership has dramatically increased over the year, allowing the Chapter to hold more events and support more court cases for children in need. "Last year at this time, we were 6, and this year we have 14 patched members and 22 in total" said Shepherd. The group has done 42 events this year including Trunk or Treats, Ren-

fest, and various Christmas activities. Perhaps most importantly, the bikers attended every court date of their "adopted children" and were a part of the "Justice For Jessica" court case in support of Benton County 4 year old Jessica Mast, who died as a result of abuse by her parents and neighbors. The bikers cannot intervene in court proceedings without parental consent according to Shepherd, which is hard in some cases when the abuse is perpetrated by those parents.

The main goal for Shepherd was "to get the word out" and spread awareness of this chapter and their missions, so they can support and help more children who are suffering. The organization is funded solely by donation and all of those donations go directly to victim support. The group also maintains a hotline for victims and families to easily reach out for help. If a child needs support from the organization, the Guardians encourage people to please reach out at 660 851-4620.

Clinton School District Responds To AG's Cease And Desist Letter

Following the Cole County Circuit Court's decision in Robinson v. Missouri Dept. of Health and Senior Services, Missouri Attorney General (AG) Eric Schmitt sent a letter to local public health agencies and school districts earlier this month. In the letters, he informed them of the decision from the court case, requiring them to stop enforcing any mask mandates, quarantine orders, or any other public health orders.

"The recent decision from the Cole County Circuit Court is consequential as it relates to public health orders. Today, I sent a letter to public health agencies and school districts across the state informing them of the decision and demanding they rescind and cease

enforcement and publicizing of public health orders, mask mandates, quarantine orders, or other orders that were declared null and void by the recent decision," said Attorney General Schmitt. "Public health authorities and school districts have gone unchecked, issuing illegal and unconstitutional orders in their quest to aggregate, maintain, and exert their newfound power. My Office will enforce the Court's order across the state."

Both letters argue that health orders, mask mandates, quarantine orders, or similar orders issued under previous statutes that were declared unconstitutional by the Robinson judgment are officially null and void and should not be enforced or publicized by the issuing agencies.

The letter to health authorities stated, "Under Cease And Desist Cont. Page 15

The Clinton Daily Democrat was able to catch up with Henry County Assessor Scott Largent last week.

It appears he is still getting calls over the address changes put in place by the Henry County Emergency Management folks a few years ago. Largent said that they modified 336 addresses according to the new 9-1-1 standards. Aside from that, Largent said that last year his office fielded 101 requests

for new addresses (where something was being built): "Not only do we have to create the new addresses," he said, "but we have to assign values and determine what is being built at those locations." The assessor's office created a total of 700 signs for the year - not just for address changes: some folks just needed new signs. As far as address changes, regarding the 9-1-1 system, the main problem is that Google Maps doesn't really have Henry County very high on their priority list of "things to

update." It is assumed it is a matter of "flipping the switch" so that the new addresses will show up correctly for folks like UPS and FedEx, but Google - apparently - has larger populated areas to keep maintenance on.

Eventually they will (hopefully) get around to it. "We are low on the priority list" commented Assessor Largent.

As far as assessment forms, Largent said his office was proofing the last of the forms that will be sent out.

The county residents should be receiving

them about the first week in January. If possible (and if it is not a large account, or a business personal property account) the assessor's office requests that folks complete them online.

Paper forms are, however, still acceptable and the assessor's office is always available to answer questions.

Largent said that roughly 12,000 assessment forms were sent out last and about 1,800 were completed online.

Have I Got A Line For You!

Wiki-Leaks founder Julian Assange may get extradited from the UK to the US. He's been in a prison over there since being arrested at the

Ecuadorian Embassy where he was holed up. Julian says if he's sent over here he will release a "poison pill" of information. Fro hacking government computers and now to blackmail, he's digging himself in deeper. He's probably safer by focusing on Western governments because we're bound by laws. It will be "Katy bar the door" if he goes after the Chinese. Remember when they rolled tanks in on their countryman, while the whole world watched? Laws aren't something that bother them

"What is your favorite Christmas tradition?"

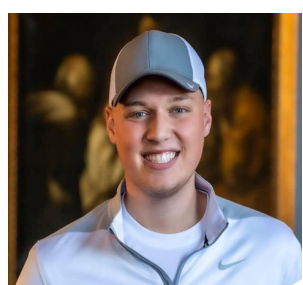

My extended family still gathers at our Mom-Mom and Grandpa's for breakfast early Christmas morning. They are gone but not forgotten! And their house is still in our family to carry on this tradition.

Gathering with family on Christmas Eve. We tell something we are thankful for and light a candle. Then we read the Christmas story and sing carols. We finish by singing Happy Birthday to Jesus and the kids blow out the candles. It reminds us of the real meaning of Christmas.

My favorite tradition is waking up on Christmas morning to the smell of fresh baked bubble bread and opening presents with my family. We usually have my grandparents over for a Christmas lunch later in the day. -Clayton Steward:

much. I have always wondered what Julian has that scares the hell out of our politicians. Then again, maybe we're better off not knowing.

Speaking of politicians, Senator Joe Manchin said he couldn't explain the Build Back Better bill to his constituents and couldn't vote for it.

Now Congresswoman Alexandria Ocasio-Cortez (AOC) says our "entire democracy is on the line." Maybe someone should let AOC know this is what democracy looks like. Democracy doesn't mean everyone agrees with socialism. Oh the irony! Socialists, outraged because a massive spending bill steeped in Marxist ideology didn't pass, claim democracy is threatened. AOC and her bunch must have missed Civics at school.

We live in a Democratic Republic, not a dictatorship. Bet they go after

Senator Manchin and see what they can "dig up." Next year's election season will be a barn burner! As Mr. Brady used to tell us in history class, "Lord save us from James C. Davis." And a bunch of other people out to get us.

GALACTIC NEWS! A NASA spacecraft the size of a small car has touched the sun. The probe is braving temperatures of 2370 degrees and radiation 500 times stronger than on earth. Isn't our technology mind blowing? We can build a spacecraft sturdy enough to enter the sun's atmosphere. This mission may unlock some of the most important questions about our solar system. Well done NASA!

Adam Dean put a Christmas up at the Enterprise office and Owen decorated the windows of the Democrat in Clinton. This reminds me of how everyone has their own routine of putting up decoration and taking them down. Back in the dark ages (70's and 80's) we never saw a Christmas tree until after the first week of

December. It was taken down on January 2 when it was dragged outside leaving a fine display of cedar bits that had to be plucked out of the carpet. What was left went out to Blue Branch for a crappie bed. This was a long time ago and the only Christmas lights in Warsaw were a few angels with tinsel that hung at the four-way stop. They seemed grand back then and so did the store windows and that seemed to suit all of us.

I'll spend Christmas at sister Julie's home where bother-in-law Steve will fix dinner and then it's off to church. An old time dish that my mother fixes after Midnight Mass is a sausage casserole. She got the recipe from Grandma Murphy who whipped it up after everybody got home from Saint Ann's. Happy times those and so many who were there..... gone away. But that's the way the world goes round. As Aunt

The Angel Tree Grows At Schreiber Foods

Many Clintonian's are aware of the Angel Tree program that many local businesses sponsor for the holidays, that helps give gifts to children who may go without. Schreiber Foods has been participating in this program for over twenty-one years. Lori Taber runs The Angel Tree at Schreiber Foods, explained that "children or their guardians fill

out a wish list of items they like or would like for Christmas. These consist of families in need within Henry County. WHO IS IN THIS PHOTO? Unfortunately, I can only identify the placement of two of the people for certain in the photo: James Allen Parks (is the gentleman on the right) and the other gentleman in the photo was Earl Arnold Major. Just what did you learn in High School in 1899? Many schools had started to reform their education requirements by the turn of the 20th Century. The influence of John Dewey and William James, for instance, launched a progressive campaign of learning across the U.S. which included psychology and some relatively new sciences (think evolution, geology, and physics, for instance). However, the classic liberal arts were still present and emphasized. New to the education system was the idea of "electives" instead of a prescribed course of classes. Also somewhat new was the idea of college entrance exams - hence, preparatory courses.

High Schools in 1899 were a little rare. In Henry County the one-room schoolhouse was still the predominant means of education and at one time there were over 100 in the county. Many kids would finish 8th grade and go to work on the farm or in a trade. In fact, having access to a high school education was the reason many folks moved to Clinton to begin with; they wanted something better for their kids.

A decade after the class of 1899 graduated (the Class of 1899 was the 21st graduating class at Clinton High School), the program of academics looked something like this:

- Freshman - requirements of English, Algebra, and Ancient History with an elective of Latin, Bookkeeping, Geography or Manual Training
- Sophomore - English, Algebra, Geometry (I & II), Medieval and Modern History with an elective of Latin, Zoology, or Manual Training
- Junior - English with three electives of either Latin, German, Geometry (III & IV) or English History
- Senior - English with three electives of Latin, German, Physics, Trigonometry, or Advanced American History

A student could not count either bookkeeping or manual training towards collegiate entrance; both geography and physics required double periods of class at least three times per week. To graduate you had to have two units of Latin or German and you had to have at least one subject with a lab as well. Rhetoricals were required at the end each year to pass on to the next grade.

Trogdon Pleads Guilty To Burglary At GVMH

Kenny Ragland Reporter

A 2020 burglary case brought a plea agreement, in Henry County Circuit Court on December 16, at the courthouse in Clinton.

Michael Trogdon of Overland Park pled guilty to 2nd degree burglary, felony stealing and possession of a controlled substance, in front of Circuit Judge M. Brandon Baker.

Represented by his attorney, Eric Mitchell of Clinton, Trogdon owned up to all of the alleged stealing and other counts.

"Are you guilty?," asked Judge Baker.

"Yes, I am," answered the defendant.

According to the probable cause statement taken by the Clinton Police Department in May of 2020, Trogdon allegedly cut locks at a storage container located at a Golden Valley Hospital construction site.

Security video footage from the BP Convenience Store was viewed by law enforcement, showing the suspect taking a concrete saw and various tools.

The PC statement further states that the suspect took the tools to a construction site in Tightwad.

Law enforcement viewed the suspect on BP videos, return to the BP station where he purchased gasoline.

Police officers located the truck on the same day at Walmart, where Trogdon allegedly stated watching law enforcement at his truck.

He then called his girlfriend Amanda Coble to pick him up.

Also according to the statement, Coble allegedly reported Trogdon's pickup stolen.

Law enforcement

researched Trogdon's cell phone records, and determined the phone was present at the scene of the crime on the theft dates.

With attorney Mitchell present, Judge Baker reviewed the defendant's current crime and past stealing convictions.

"You are being prosecuted as a persistent offender," stated the judge sternly.

Trogdon then admitted guilt to all of the previous convictions from the Johnson County (Overland Park) area.

Attorney Mitchell discussed the plea agreement with Judge Baker and Prosecutor Richard Shields.

"The agreement is for 7 years," Mitchell said.

"That is correct," said Steele.

Upon acceptance of the plea, Baker then found Trogdon guilty and went over sentencing guidelines.

"I will ask the state for a sentencing assessment," Baker said. "We will schedule for a court date for that."

Baker also stated that he may follow the assessment, plea, give more jail time or less.

Trogdon stated he understood that.

The felon appeared on his own recognizance, having been released on a \$15,000 bail in November of 2020.

The defendant will appear again for sentencing at 9 a.m. on February 22, in the Circuit Court of Henry County at the courthouse in Clinton.

If the judge agrees to jail time, Trogdon will be immediately incarcerated, with eventual transfer to the Missouri Department of Corrections.

Clinton School District Responds To AG's Cease And Desist Letter

Continued From Page 1

this judgment, all mask mandates, quarantine orders, and other public health orders that are based on any of the invalidated regulations or issued outside the protections of the Missouri Administrative Procedure Act are null and void. You should stop enforcing and publicizing any such orders immediately."

The letter to school boards stated, "Under this judgment, all mask mandates, quarantine orders, and other public health orders that are based on any of the invalidated regulations or issued outside the protections of the Missouri Administrative Procedure Act are null and void. We have advised local public health authorities today to stop enforcing and publicizing any such orders immediately. You also should stop relying on, enforcing, or publicizing any such orders immediately. In addition, state law does not delegate authority to school officials to issue mask mandates, quarantine orders, or other public health orders. Your school district should stop enforcing and publicizing any such orders immediately."

Both letters ended with the following statement: "Failure to follow the court's judgment may result in enforcement against you to remove orders the court has determined are unconstitutional or illegal. We encourage you to take immediate action to remove all unconstitutional and illegal orders."

This has caused several local health departments to cease any and all contact tracing, quarantine/isolation guidance, and reporting of case numbers related to the COVID-19 pandemic. The Henry County Health Center has not publicly commented on AG Schmitt's letter and continues to provide COVID-19 case number updates on their Facebook page. A representative from the Clinton

Daily Democrat made attempts to reach out to Peggy Bowles, Administrator, but she was unavailable for comment before time of press. In communications with The Democrat previously, Bowles stated "After sitting in on the call with our attorney on Tuesday, HCHC will continue business as usual in regards to COVID-19 prevention. To-date, HCHC has not passed any orders (mask or otherwise) and does not intend to in the future. Our stance has always been to protect the health and wellbeing of our citizens by educating and making recommendations based on CDC guidelines."

The Clinton School District continues to update the public of positive cases within the district's various schools on their Facebook page as well as on the COVID-19 Dashboard, which can be found on their clintoncardinals.org website. The Dashboard has four tables. The first table shows data surrounding current COVID-19 cases, broken down by students and staff, as well as the numbers of individuals currently on quarantine and those who have tested to stay in school. The second table provides COVID-19 numbers since the first day of school in the 2021-22 school year, the third table shows resolved case data by month from August through December, 2021, and the fourth table provides COVID-19 case numbers within the community. District Superintendent Destry Brown commented "Missouri is locally-controlled state which means that school boards have the jurisdiction to make decisions concerning their school". Brown went on to say that on the advice from the school districts attorney, the Clinton School Board will continue to make decisions about its students and that the letter from Ag Schmitt didn't really affect the district.

"As has been our practice during the COVID-19 pandemic, the Clinton School District is committed to communicating with our stakeholders information regarding positive cases in our schools. We will continue to notify families and our community of positive cases in our schools by placing general notifications on our Facebook page and on our website. We will continue to send phone calls out every evening to families whose child was in a class, activity, or bus where a possible exposure might have occurred. In addition, students or staff members that must quarantine due to exposure at school are contacted directly by the Henry County Health Center or the district nurse. In addition to these layers of communication, we will also be sharing a COVID-19 Dashboard every Friday evening."

On Monday, December 13, AG Schmitt responded to the Lee's Summit School District's attorney with another letter, stating "You ignore well-settled precedent that the Attorney General enforces the law and protests the public from injury to the general welfare. Aside from the clear legal reasoning, it is my firm belief that health decisions and mask decisions are best left to parents, not school administrators or government bureaucrats."

AG Schmitt has also asked for parents to report school districts that were enforcing mask mandates and quarantine orders to email their concerns to him. He has reportedly received more than 7,500 emails to date. Due to this, he sent 52 cease and desist letters to school districts across the state. Each letter Schmitt sent was a direct result of receiving a complaint from someone involved in each school district, Schmitt said.

"We've received a tremendous response from parents who are fed up

with school districts across the state continuing to force their children to wear a mask all day or quarantine when they're perfectly healthy," Schmitt said. "My office has worked diligently to identify non-compliant school districts and send cease and desist letters to those districts. We will continue to fight these mask mandates and quarantine orders and enforce the law."

In a statement released last Friday, Schmitt reportedly took credit for "a number of school districts that have either already rescinded or plan to rescind their mask mandates, quarantine orders."

Aside from the Lee's Summit School District, Jackson County and St. Louis County have both filed a motion to intervene in the court ruling that took away the ability for school districts and public health officials to enforce and issue health orders. Both counties stated that they want to "preserve the regulations that have enabled local public health authorities to address all matters of public health, not just COVID-19."

Schmitt is a Republican running for U.S. Senate in the state of Missouri for 2022. He assumed office for Attorney General in 2019 after being appointed to the position by Governor Mike Parson, following former Attorney General Josh Hawley's election to the U.S. Senate in November of 2018. Schmitt previously served as the Republican treasurer of Missouri from 2017 to 2019, as well as a member of the Missouri State Senate, representing District 15. He was first elected to the state senate in 2008 but did not seek re-election in 2016 due to being term-limited, so he then filed to run for treasurer of Missouri in the 2016 election.

At the time of press, Governor Parson has not gone on record to discuss the recent actions taken on the letters sent by AG Schmitt.

Cards in MRVC Tourney

Cards Fall to 'Jackets' in MRVC

The #8 seeded Clinton Cards were playing the #1 seeded Center Yellowjackets on Monday, Dec. 13 at Center in the MRVC Tournament. In this situation you know the #8 seed would have a tough time but you hope they could put up a good fight and they did. The Cards lost 79-43, but believe me they did put up a fight. The Cards were still playing short handed and most teams have a clear height advantage. The Jackets got out to a fast start leading 27-6 in the first quarter. The Cards put up a decent number of shots but were not able to get them to fall. Both teams used a man-to-man defense. The Jackets also used a lot of high pressure which caused many Cardinal turnovers. The very quick Jackets scored 12 points from stealing inbound passes. The Cards outscored the Jackets in the 2nd quarter 17-15 making it 42-23 Jackets at the half. The Cards could not get enough stops or drops and the third quarter ended 71-33. The Cards have now loss 22 straight games to the Yellowjackets. The Cards will take on the Oak Grove Panthers in the second round at 5 p.m., Thursday night in the Aux. Gym.

Team Stats: Jackets- five 3-pointers and 6 of 9 from the line. Cards- six 3-pointers with 5 of 9. The Cards' Xzavier Ray fouled out in the third quarter. The Jackets were led by #24 Kortez Stevenson with 27 pts. The Cards were led by #11 Tyler Gardner with 21. Ind. Stats Townsend (3,0,1/2), Ethridge (11,0,3/3), Adams (0,0,0/1), Gardner (21,5,0/1), Ray (7,1,0/0) and E. Mantonya (1,0,1/2).

Cards Fall to Panthers

The CHS Cards could not stay with the Oak Grove Panthers in the second round of the MRVC Tournament on Thursday, Dec. 16. The game was being played at Center in South KC. The Cards were nearly full strength with only Gage Mantonya still unable to dress. The Panthers got off to a blistering start leading 25-12 after the first. Xzavier Ray, coming off the bench, got six for the Cards in the quarter but the Panthers answered with four 3-pointers to pull away. It was 38-21 Panthers at the half. The Cards won the third quarter 15-8 but it was not enough as Oak Grove came back winning the 4th quarter 18-10. The final score was 64-46 Panthers. The Panthers were led by Conner Hernandez with 22 points with six 3's. The Cards were led by Tyler Gardner with 11. The Cards sank four 3-pointers and went 6 for 10 from the line. The Panthers sank six 3-pointers and shot 14 of 17 from the line. Individual Stats: Brown (7,1,0/0), Jackson (7,1,2/2), Townsend (8,1,1/2), B. Ethridge (2,0,0/1), Adams (2,0,2/4), Gardner (11,0,1/1), Ray (9,1,0/0). The Cards will play Excelsior Springs for 7th place on Friday.

Cards Beat ES Tigers in MRVC

The Cards finished the MRVC Tournament with a come from behind win over the Excelsior Springs Tigers 58-50. The Cards were down 41-45 when they put together a 17-4 run. The Cards record is now 2-7. The Tigers had seven 3-pointers and went 8 of 13 from the line. The Cardinals were led by Dom Jackson and Tyler Gardner, both with 15. The Cards made two 3's and were 14 of 19 from the line. Ind. Stats: Ray (4,0,0), Brown (4,1,1/3), Jackson (15,0,7/8), Neal (4,0,0), Townsend (9,0,5/6), Gardner (15,1,0), Alexander (2,0,0), Adams (2,0,0), Shields (3,0,1/2). The 2021 Tourney was won by the Center Yellowjackets when they beat the Cardinals, the P. Hill Rosters and the Odessa Bulldogs by an average margin of nearly 30 points. Warrensburg took third.

Clinton vs Sherwood: Dunk on Cancer Night

Girls Game: It was quite a night of basketball on Monday, Dec. 20. The Sherwood girls held off the charging Lady Cards to hold onto a 52-51 victory. The Lady Marksmen led after the 1st quarter 12-3. The Cards found their rhythm and closed the gap to 22-19 Sherwood at the break. The Lady Cards won the 3rd quarter (17-12) and the score was 36-34 Clinton going into the final quarter. The Lady Cards had two starters (Heerdink and Wishard) foul out and some calls did not go their way. The final score was 52-51 Sherwood. It was a very good, hard fought basketball game. The Lady Cards (now 4-6) were led

by Mercedes Brown with 14 and Paige Gillund with 12. The team had four 3's and went 3 of 11 from the line. Sherwood was led by #23 Rebekah Riffle with 20 points. The Lady Cards will play Boonville on Jan. 4 at home. Ind. Stats: Gillund (12,2,0/0), Heerdink (6,0,0), Brown (14,2,0), Campbell (4,0,0/1), Wilson (6,0,2/5), Potter (3,0,1/3) and Wishard (6,0,0/2).

Boys Game: The Cards vs the Sherwood boys was also hard fought but the Cards pulled away from the struggling Marksmen. The Marksmen could not get many shots to fall and the Cards held a 16-2 lead after the 1st quarter.

The Cards pulled away and it was 34-7 at the break. The Marksmen did not give up and won the third quarter 15-14 to make it 48-22. The final score was 58-23 Clinton. The Marksmen were led by Ryder Wells with eight points. The Cards were led by Dom Jackson with 24 points with seven 3-pointers. The Cards had eleven 3-pointers and went 8 of 14 from the line. The Marksmen had two 3's and went 14 of 19. The (3-5) Cards will play Nevada on Jan.3 on the road. Ind. Stats: Brown (4,1,1/3), Jackson (24,7,1/2), Neal (5,0,1/2), Ethridge (7,0,3/4), Gardner (15,2,2/2) and Shields (3,1,0/1).

This I Remember

Gene Henry: "I was lucky enough to go to the Army-Navy game at the MetLife Stadium in East Rutherford, New Jersey. The Navy Midshipmen beat the Army Black Knights 17-13. My Grandson Clark Freeman attends the Naval Academy and his family had an extra ticket and it was offered to me. Clark's mother is our youngest daughter. Also attending was our granddaughter, Evelyn. Clark's father also attended the Naval Academy. The pageantry of the game is as cool as the game itself. Thousands from each academy march out before the game. A lot of patriotism in the air. Army went to 8-4 and Navy went to

4-8. Army will play Missouri in the Armed Services Bowl on Dec. 22. It was a great memory, to be with family and at the Army-Navy Game." Maybe the above entry should be; 'This I Will Remember'. You see this sports memory just happened on Saturday, Dec. 11. You know when you get a little older you might forget that some of your best memories are yet to come. Playing pickleball at the Community Center in between games we often catch up on our latest events. Remember Gene retired from the Missouri Army National Guard as a Lt. Col. Thanks for sharing Gene.

CMS Basketball

CMS Boys Basketball: The Clinton A team won vs Center 42-37 on Dec. 14. Kaiden Townsend and Jase Wilson both had 12 points. The A team's record is now 3-3. Coach 'Mundy' (Daniel Mundwiller) said, "We're playing well. The boys are getting better everyday. Everybody on our team played great defense." The assistant coach is Austin Bressman.
CMS Boys Basketball Roster: (A Team Roster) Collin Keith, Cody Mitchell, Preston Lynch, Jase Wilson, Kaiden Townsend, Jared Lankford, Camden Westendorff, Turner Gardner, Ryan Lowe, Quintin Faught, and Maverick Martin. CMS Girls Basketball: The CMS 'A' Team right before a home game. Coach Liane Hager commented, "We have a fairly inexperienced team this year but have made great strides in learning the fundamentals of basketball. We are seeing improvements in each game for both the team and individual players. Coach Snyder and I are looking forward to a strong finish to our season."
CMS Girls Basketball Roster (A & B): Lexi Barnhart, Julianna Coen, Alexis Fowler, Natalie Golder, Harvey Cadence, Tegan Jeffrey, Lily Kenney, Addison Little, Callie Morrow, Ali Shaffer, Hayden Sewell and Izzi Yates...Carmen Bohannan, Chloe Westendorff, Annie Johnson, Julia Cochran, Myleigh Willings, Paisley James, Nora Parks and Faith Klahs. The first round of the MRVC West Tournament held at CHS pitted the Lady Cards vs the Excelsior Springs Tigers on Tuesday, Dec. 14. Petree to MSU Hall of Fame

CLINTON ALUM Nick Petree Honored at Missouri State

The weekend of Feb. 11-12, will be the induction ceremony for the Missouri State Sports HOF. It will be held at the Plaster Student Union. There are two Special inductees: Art Hains, long-time radio announcer for the Bears and the 1974 MSU softball team that captured the AIAW Division I national championship.

The rest of the Hall of Fame class includes men's soccer player Jarod Bertrand (1998-2001); volleyball player Kelley Michnowicz Reid (2008-11); baseball player Nick Petree (2011-13); footballer Rich Walker (1976-79); basketballer Kenzie Williams Kostas (2012-16); and swimmer Allison Zeller Wallace (2003-07).

Nick Petree (Clinton, Mo.) was the baseball Bears' mound ace for three seasons (2011-13) for coach Keith Guttin. Petree's career was highlighted with his selection as the Louisville Slugger Collegiate Baseball Player of the Year in 2012 and three All-America selections.

CMS Wrestling vs Wildcats

In match play the Cards won over the Harrisonville Wildcats 21-16 on Dec. 16. The Cards were led by the undefeated Luke Stefens going 2-0 (17-0 on the season). Also going 2-0 on the night were Cade Banks, Markus Oliver, Conner Bramel, Brody Barnhart and Gage Westendorff. The following grapplers went 1-1: Ryan Custer, Bryce Bade, Bradley Wetzel, Brandon Travis and Makayla Crawford. Ayanna Gravitt, Drake Cannon went 1-2. Lana Sockwell, Donovan Pack, fought hard but went 0-2. This was the end of the season for the CMS wrestling squad and it was a good one. They were coach by Andy Skaggs and Justin Archambo. Congrats to all.

Lady Cards Battle Cats

It was an interesting game. The Lady Cards took on the Harrisonville Wildcats in the second round of the MRVC Tournament at CHS on Thursday, Dec. 16. The turnovers and fouls abounded. The score stayed close each quarter. It was 7-7 after the first quarter. The Cats pulled away by six at the break 19-13. The Cards stayed within four points until the final minute. As usual it was very physical with bodies flying. Three Cards fouled out starting with Briley Wishard with 2:06 left and the score 28-26 Cats. Skyte Wilson and Riley Heerdink quickly followed. Mercedes Brown was also playing with four fouls. The final score was 32-26 Wildcats. The Cats were led by Madison Johnson with 15 points. The Wildcats shot 9 of 22 from the line. Briley Wishard led the Lady Cards with 10 points. The Cards shot 7 of 11 from the line. Ind. Stats: Wishard (10,0,4/7), Potter (5,0,3/4), Wilson (1,0,0/1), Brown (4,0,0/0), Gillund (2,0,0/0), Heerdink (4,0,0/0). This puts the Lady Cats in the Championship game vs Warrensburg and Clinton vs P. Hill in the third place game.

Lady Cards Capture 3rd in MRVC Tourney

The Lady Cards played the P. Hill Chicks on Friday, Dec. 17 for third place in the 2021 MRVC Tournament. The game started out with both teams sinking 3's and the fight was on. The Chicks led 10-6 after the first quarter and 21-16 at the break. Briley Wishard lost some playing time due to foul trouble. The Lady Cards shots started to fall and they won the third quarter, 14-7. Fouls, turn-overs and travel calls seemed to be the theme of the game. In the fourth quarter the pace picked up even more as the Cards slowly pulled away winning the contest 50-39. Ava Potter and Mercedes Brown led the Lady Cards, each getting 10 points. The Chicks were led by Aby Widhalm with 17 points. The Cards made four 3-pointers and went 14 of 27 from the line. The Chicks had two 3's and were 13/23. This win puts the Lady Cards record at 4-5. They play Sherwood on Monday, Dec. 20. Ind. Stats: Heerdink (8,0,2/4), Gillund (9,3,0/0), Brown (10,1,1/2), Wilson (7,0,5/7), Potter (10,0,6/12), Wishard (6,0,0/2).

Wildcats win the title: The Harrisonville Wildcats clawed their way to the MRVC title by first beating Odessa 63-41, then they beat the Lady Cards 32-26 and the Warrensburg Tigers 47-32.

CLINTON HIGH SCHOOL FFA is getting a farm! Donations are being gathered to help make the dream of school farm a reality for CHS FFA.

LOCALS WERE treated to some Christmas Caroling from the 7-12 grade students at Clinton Christian Academy. The group of students and faculty sounded great and certainly brought a bit of joy to the firehouse. Santa even tagged along with the group!

School Farm Coming Soon to CHS

The Clinton High School FFA Chapter is excited to announce that students will soon have the opportunity to learn what it takes to raise and maintain livestock at school.

The proposed school farm will sit on 5 acres to the south of the high school. As of now, the plans are to raise, breed, show, and sell livestock. The school will start with one horse to breed, and a few steers for students to feed out, show this summer, and sell for profit that will fund next year's steer purchase. The school farm has the potential to become a larger scale livestock production operation in the future.

"Starting this facility is a dream of mine. My goal is to provide students with the opportunity to learn about

raising livestock right here at school. This farm is going to teach kids things that no textbook can. I have many students who do not have the space or ability to have livestock at home, so having a place where they can have these experiences and learn these skills at school is vital to their future in the agriculture industry," says Tanner Robertson, FFA advisor.

Thank you to Hawthorn Bank who recently made a generous donation to this project. If you are interested in helping, donations of farm supplies (gates, feed, hay, stock tanks, etc.) or monetary donations are appreciated. Please contact Tanner Robertson for more information, trobertson@clinton-cardinals.org

CHRISTMAS ON THE SQUARE
Christmas dances 'round the Square this year creating beauty and good cheer, with buildings edged by bright lights and windows displaying festive sights. Snowflakes on the lamp-posts twinkle. Bells on the shop doors jingle. Music fills the air as shoppers meet and greet. Aromas beckon of good things to eat. A star above Bethlehem shines to guide Wise men and their camels on their ride. Angels harken shepherds with good news for all of the baby in a manger in a stall. Curious woodland animals check out a tree. Yes, there is much to taste, to hear, to see. Come to the square. You'll find you agree.

Robbery Conviction Continued From Page 8

Also according to the statement, Coble allegedly reported Trogdon's pickup stolen. Law enforcement researched Trogdon's cell phone records, and determined the phone was present at the scene of the crime on the theft dates. With attorney Mitchell present, Judge Baker reviewed the defendant's current crime and past stealing convictions. "You are being prosecuted as a persistent offender," stated the judge sternly. Trogdon then admitted guilt to all of the previous convictions from the Johnson County (Overland Park) area. Attorney Mitchell discussed the plea agreement with Judge Baker and Prosecutor Richard Shields. "The agreement is for 7 years," Mitchell said. "That is correct," said Shields. Upon acceptance of the plea, Baker then found Trogdon guilty and went over sentencing guidelines. "I will ask the state for a sentencing assessment," Baker said. "We will schedule for a court date for that." Baker also stated that he may follow the assessment, plea, give more jail time or less. Trogdon stated he understood that. The felon appeared on his own recognizance, having been released on a \$15,000 bail in November of 2020. The defendant will appear again for sentencing at 9 a.m. on February 22, in the Circuit Court of Henry County at the courthouse in Clinton. If the judge agrees to jail time, Trogdon will be immediately incarcerated, with eventual transfer to the Missouri Department of Corrections.

Angel Tree Continued From Page 3

Schreiber partners (partners are Schreiber Foods employees due to Schreiber being an employee-owned business) and they choose and 'adopt' an angel. Our partners shop for gifts, wrap them, and then bring them into the workplace. Then we have one specific day for Christmas Angel gift distribution. This year we were able to adopt 90 angels. Some partners choose one angel, some choose a few, or a group of siblings. Some partners get together and adopt a few. Our Schreiber plant has been doing this forever. This is my 21st year, and they were doing it before that. I facilitate it and get the ball rolling every year, and our partners are always excited to get involved in the program." Upon concluding the discussion of the Angel tree program, Lori Taber wanted to say "We have amazing, hard-working people here, and they do such a great job with this every year. I am so proud of their support for this program." The Angel Tree program is an amazing opportunity to give back to the community during the holiday season to those families in need and many businesses in our area participate in it as well as Schreiber Foods.

Online completion is the easiest - especially if there are only a few (or no) changes to be made. When should you have them in? "The sooner the better," said Largent. The actual deadline is March 1 to avoid penalty, but get them in: the assessor's office is no longer in control of the late penalties concerning late forms, the state of Missouri is.

Almost all assessed values went up because of the recent market conditions. However, it should also be noted that almost all of the county's taxing entities rolled back their levies as required by state statute. Approximately half of the tax bills related to assessed values were lower because of that.

The assessor's office sent out 8,503 initial "value change" notices and 73 add on "value change" notices.

The assessor's office received 587 appeals covering 1,192 parcels. Of those appeals, they adjusted 221, of which 193 of those were reduction adjustments

and 28 were value increases.

The assessor's office records and makes changes for well over 1,700 property transfers per year which includes verifying the legal descriptions of transferred property, changing historical records of deed in the files, and sending out letters of sale for each transfer, and also recording the data for statistical analysis and changing the parcel boundaries in the assessor's computer system, mapping overlays, and plat book files.

The assessor's office also mails out 11,230 personal property assessment and 923 business assessment forms. This represents 33,942 vehicles and 179,047 animals in Henry County.

The assessor's office printed over 120 plat books and printed and distributed over 350 address signs. The office also works with Henry County Road and Bridge to print and cut letters for hundreds of road signs in the county.

The total real estate value for Henry County is just over \$1.5 billion. Personal property values adds another \$276,000,000.

The assessor's office operate with 6 staff; it receives no money from the county's general revenue funds. No money from the county goes to any of the office's expenditures, salaries, supplies, projects, equipment, or vehicles. The assessor's office does not get any more money regardless of whether assessed values go up or down.

The assessor's office is visited at least one time per month from the Missouri State Tax Commission to ensure compliance. They run statistical analysis to ensure compliance with state law. Should the office fall out of compliance, the state can (and will) mandate adjustments. The State Tax Commission also verifies the values and/or appraises the properties owned by local elected officials.

Thinking of you this Christmas and how things just aren't the same. There's this dull and nagging heartache When someone speaks your name. Sadly, we can't buy gifts for you Just silent tears that fall For this time of year without you Is the hardest time of all.

Calhoun United Methodist

Welcome to the news at Calhoun United Methodist Church, a small church with a big heart, located on the Square in Calhoun. Services begin at 10:00 a.m. each Sunday morning. We ring the church bell at 9:45 to call the flock to worship. Our service is live-streamed for face book.

Our sympathy and Christian love are extended to the family and friends of Greta Stayton and Terry Wallace who passed into the arms of Jesus this week. Each week we pray for many in the community who have ongoing illness and those recovering. This week our prayer list includes Margaret and Charlie Fields, Joey Cooper, Penny Wisdom, Jean Dittmer, Hal Ross, Russell Hudson, Helen Reynolds, and C. W. Southers. Special prayers were said for those caught in the fury of tornados over the weekend. There is no way we can understand their sorrow. We always lifted up our military, especially disabled veterans hurting because of injuries inflicted by war and their families. We pray for those in our work force who face the dangers of the pandemic in the work place and for our country as well.

We again this week are pleased for the unseasonably warm weather, a rare commodity in December. It is wonderful to have more of our friends feeling safe enough to join us at church. Today Grace Shockley and Kenny Price and family were with us and we were extremely pleased to welcome them home. Harvesters Food Drop was a marked success again this month. There were 15 skids of food to distribute and around 250 families were able to participate. Our sincere thanks to those who volunteer their time to help in the distribution.

We are always pleased to have guests for worship any Sunday morning at 10:00; the Welcome mat is always out. CofTte dressed as you are comfortable. Be prepared to receive a blessing for your effort, and we will be blessed by your presence. Thought for the week, "All the world needs is a little Love, Charlie Brown."

First Baptist Church

Pastor Randy Shipman welcomed the congregation. He also recognized & congratulated Jim & Linda Martin in honor of their 58 years of marriage. Kevin Griffey, the First Baptist Worship Pastor, led The Handbell Choir in the most beautiful Christmas music that was a blessing to all in attendance. Deacon of the Week, Bill McCoy, offered the opening prayer & the Scripture for both morning services was Luke 1:46b-55 & Luke 1:39-45. This Fourth & last Sunday of Advent was "Peace". In the message Pastor Randy used Micah 5 :2-5a to remind us that The Promise of Messiah that leads to the hope that He will come again & His reign will endure forever. The Lord will be our peace because He is the author of our peace. Human efforts won't give us peace, only Jesus can.

December 24th at 5 :30PM will be our Christmas Eve Service along with the Lord's Supper at the Vasant Road location. Everyone is invited to attend. For those who are shut-in we invite you to hear the service on KDKD 95:3 @10:00 AM Sunday mornings. We also invite those in the Clinton area who don't have a church home to join us in worship of our Lord & Savior, Jesus Christ. First Presbyterian Church

This is the season to remember the love God has for us and to spread that love around. We wait for the one whose power and strength knows no end and whose everlasting light will illuminate the darkest night. He is called Mighty God and his love never fails. Our handchimes choir played "Ukrainian Bell Carol" by Leontovich and they also accompanied the piano on several hymns in the presentation of our Cantata Lessons and Carols.

The Advent Event concluded Wednesday evening. The Journey Bible Study by Adam Hamilton was well received. We took a closer look at the characters in the Christmas story.

Our sanctuary holds a vibrant array of poinsettias given in memory of friend or family members for display during the Christmas season. These beautiful flowers add so much cheerfulness and add to our Christmas spirit.

Christmas Eve Chili Supper was held on December 23rd. We ate at 5:30 pm then at 7:00 pm our Christmas Eve Worship Service began. A good group assembled together as we celebrated the birth of Jesus, our Savior.

Don't forget about the weekly ZOOM Bible Study on Wednesdays at 11:30 am. If you are interested in participating please contact the church office and the link will be sent to you. Rev. Nancy guides this weekly study.

You are invited to join us in worship each week. If unable to attend in person, please find us online at: You tube Nancy Gillard, fpccclintonmo.com or Facebook First Presbyterian Clinton MO. Sunday sermons, worshipful music, church updates and prayer times are available there. Our Sunday service is also broadcast on FM radio 87.9 at 10:30 am.

Golden Valley Christian

One of the most sacred of the holidays that Christians observe is rapidly approaching. Beautiful lights, music, and movies are announcing it, for all to see and hear. One written story, by Charles Dickens, is a must at this time of year. In 1843, a tiny percentage of the population of England lived in a lavish, rich lifestyle. The rest of the population worked long hours at low wages, barely making ends meet. It was in this atmosphere that Dickens wrote "A Christmas Carol," which was directly aimed at the rich, to make them more charitable. Long before Dickens wrote this story, God was directing people to help others, and actually warning the wealthy (Deut 15:10-11). Jesus reinforced that directive from God

(Matt 25:40; 25:45). As Christians, we are directed to help our fellow mankind at all times, not just at Christmas time.

Health problems and sadness do not wane at Christmas time. Please remember those on our prayer list, new ones to be added, and all who have been saddened. Thankfully, we have some happy news, with the addition of a new grandchild for the Radtkes, and we extend prayers for good health. Our Christmas Eve service will be held at 6:30 PM; please take time to worship with us, remembering what this season is about. The GVCC family wishes all a joyous Christmas.

Bro Elmer's message was taken from Matt 1:18-25; 2:1-18. This account of the birth of Jesus was from Joseph's point of view. Commenting on the nativity scene, with the manger, the shepherds, and the wise men all together, Bro Elmer pointed out the fulfilled prophecies in the scene. Isaiah 7:14 was the prophecy of a Savior; Micah 5:2 was the prophecy of the location of the birth; Hosea 11:1 was the prophecy of the flight of Joseph and Mary to Egypt; Jeremiah 31:15 was the prophecy of the weeping for children that Herod ordered to be killed. The best part of that nativity scene is the promise of a Savior that will take us to Heaven.

Golden Valley Christian Church meets at 611 South Third Street in Clinton. Sunday School classes begin at 9:30 AM, and the morning worship service is at 10:30. Our interim minister is Elmer Fuller, and our website is www.goldenvalleycc.org, where you will also find links to access our Facebook page and YouTube sermons. We are happy to invite you to attend our services, where you will always receive a warm welcome.

Mt Calvary Apostolic Pentecostal

"It's Time To Start A Spiritual Restoration"

Psalms 51:10 Create in me a clean heart, O God; and renew a right spirit within me.

Psalms 51:11 Cast me not away from thy presence; and take not thy holy spirit from me.(KJV)

Psalms 51:12 Restore unto me the joy of thy salvation; and uphold me with thy free spirit.(KJV)

Restoration is returning something to a former condition. To restore means to bring back, return or recover. In Christianity, restoration should follow along the lines of the Apostolic faith- which is the entire New Testament.

We sometimes get out of line and must spiritually get in order and readjust to our former self. Jesus taught the apostles on how to keep the church in line. We also have to continue to work on restoration.

In Psalms 51 David asked for four things: 1) Create in him a clean heart.-to create is to bring something into existence.

2) Renew a right spirit-is to make like new, David wanted his spirit to be cleansed. 3) Restore-to restore is to reinstated, he wanted the joy he used to have. 4) uphold-to uphold, David needed support, to be defended. We all need support and defense from the enemy.

The Apostle Paul told us in Ephesians to be renewed in the spirit of our mind. He tells us in Romans 12:1-2 to present ourselves as a living sacrifice. You have to go through the restoration process in order to present yourselves as that living sacrifice. Holy, acceptable to Christ, Not conforming to this world, but being transformed By the renewing of our minds.

That we must prove what is good and the perfect will of God. To prove something is to demonstrate. In 2Corinthians 4 it talks about the outward man perishes, the inward man must be renewed.

For this renewal to take place we must; pray daily, ask for forgiveness, get in the right spirit. This should be a daily habit.

Isaiah said those that wait on the Lord, shall renew their strength. We need to be strengthened when Satan attacks us. We possess the greatest strength when we ask God for it.

When something is restored it is better than it was before. 1 Peter 5:10 tells us to make our calling and election sure. God promises a better way, a better future. We must endure the restoration process as needed. God Bless.

Mt. Zion United Methodist

After a reading, the purple Advent candle of Love was lit. Pastor David's message, "Blessings of Christmas—Love", was prefaced with Scripture from Micah 5:2-5, and Luke 1:39-55. Blessing: to be shown Divine favor, protection, and love—to will the good. Often in the Christmas season we "count our blessings". But when we think of our many blessings, maybe our mind should leap straight to Jesus. We have lots of holiday traditions and wonderful things that we do, but the reason we celebrate Christmas is, of course, Christ.

As we Christians take our tribal name from Jesus Christ, it is worthwhile to explore what this means. Christos means anointed. Anointed means to have holy oil poured out upon one's head and hands laid upon and blessed. When one is anointed, they are designated or marked with authority and power to rule. The prophet Micah tells us this figure—God's anointed—will come from Bethlehem, "and he shall stand and feed his flock in the strength of the Lord; and they shall live secure, for now he shall be great to the ends of the earth." So, the little town of Bethlehem will give a messianic figure even greater than King David of old. Bethlehem will bring forth the Savior of the Israelite people.

God has anointed His Son to bring light into the world. We are blessed through the love of God by the gift of Jesus. What a blessing the Christ child is for we mortals—doomed to die, but promised life eternal through God's anointed. So let us not overlook or take for granted this blessing of divine love Christ offers upon us. We are part of this Christmas blessing. Instead of eternal death, we are blessed with eternal life through faith in Christ.

God has truly blessed us this Christmas season. Not through lights, trees, gifts, family meals or traditions. God had given us the Christ child. Through Christ our Lord we are anointed—given blessing—that who-soever believes in His name will have eternal life. So, remember this most wonderful and powerful blessing of love as we commemorate Christmas.

Northeast Baptist Church

Can't you just feel the anticipation and pending joy of Christ's birth? In a world where things are uncertain and constantly changing, one's Joy can tend to fade. There is an ever insatiable desire to hold on to the moments of Joy that lead people, even Christians, to lose sight of what is REAL JOY. Then that Joy fades. The "Great Joy" the angel brought to the shepherds was not a temporary joy. It was the announcement of an "Unfading Joy." The shepherds were told to adore Him, worship Him and go forth to share the good news of great joy. That mission has passed to us.

The community is invited to join us for an evening of worship and observance of the Lord's Supper at 6 p.m. on Christmas Eve. Bring your families home for Christmas and take time to honor Jesus. The service will last about 45 minutes.

Trinity Lutheran Church

Trinity Lutheran Church's Christmas services schedule for the remainder of this week is as follows: December 24th, Friday at 7 PM - Candlelight Christmas Eve Service

December 25th, Saturday at 9 AM - Christmas Day Service

December 26th, Sunday at 10 AM - Divine Service.

Unlike most other churches, Lutheran ministers are not "hired." They cannot be "fired." Lutheran pastors are called by God through a local congregation to serve Christians at a particular church, and there he remains until he is called by God to serve a different Lutheran congregation in another place. It is God who chooses a Lutheran pastor to serve a particular congregation.

Lutheran ministers are not the "Chief Executive Officer" (CEO) of the church to which they are called. Lutheran pastors are not in charge of a congregation's budget, finances, marketing or other day-to-day operational activities of the church they serve. The pastor is not "the boss." The congregation where he serves is not "his church."

A Lutheran pastor is a "called and ordained "Servant of the Word." He oversees and is in charge of "all things spiritual" within the congregation. He directs the Divine Service, and is responsible for faithfully proclaiming the gospel, the administration of the sacraments, and ensuring sound doctrine is taught and good practices are followed in accordance with the Bible, and the doctrines of the Lutheran Church-Missouri Synod. The pastor is a servant of both God and His people. Amen.

"We ask you brothers, to respect those who labor among you and are over you in the Lord and admonish you, and to esteem them highly in love because of their work. Be at peace among yourselves." (Thess 5:12-13).

Divine Service: 10 am; SS 9 am; Ch. ph. 885-4728; Pastor Kueker 573.768.5752.

Urich Baptist Church

It was a cold day on this Sunday before Christmas. Today, Clint Keeney rang the church bell. Mrs. Julia Klinefelter led in the congregational singing with Mrs. Dixie Collins playing piano. We rejoiced with Susanne Smith on her birthday. We also rejoiced with Terry and Susanne Smith on their 44th wedding anniversary, and also rejoiced with Robert and Gail Perryman on their 30th wedding anniversary. Gary Vass and Clint Keeney collected the offering.

The scripture passage from Pastor Chad Pollett's sermon was from 1 Timothy 5:1-16.

In this passage Paul is continuing to write to Timothy stressing how the church is supposed to act. Christians are to treat one another with love as a family. Treating elders with great respect and honor widows. Honor and care for the needy and keep them in your prayers. Everyone has needs so remember to pray for them. Have a great week and keep Christ in your Christmas.
